GOSOUTEKI MANNERISM The Sequel

Misunderstanding Mannerism

Hello!!
The continuation is starting!!
Please keep reading.

Summary from part 1

As usual FumiShun are getting along well.

Part 1 ended on a terrible cliff-hanger so I'm glad I could release the continuation so soon. Lol
Part 1 ended really horribly huh...?
I am aware of that myself. "Ah!! There's no time! Okay!!! Let's end it here!!", was how I finished it... ("ω")
I reluctantly split it into two parts, so I didn't really have a plan as to what to do for part 2. But I already decided on how it should end so I'll make it work somehow.
For now, I put together a simple summary for those who haven't read part 1.

Fumi got really worried over something Shunpei had said casually. (Always happens)

Continues on the next page

This is the plan that Fumi had spent the whole night thinking about to break through the rut.

AFTERWORD

It's been a year since I'd drawn dicks in a doujinshi so when I started drawing them, I accidentally ended up drawing the standard light saber dicks you see in regular manga so I struggled to regain the hang of ("ω")

But once I did, it's fun drawing dicks again. (What am I saying...)

I hope I drew the slippery feeling of condoms well. I'm bad at carving screen tones after all. Real talk...

Shunpei and Fumi always flirt with each other, so being able to draw as much of that as I wanted was fun. ♪("ε")

As I thought, doujinshi are great! As usual, Shunpei always prepares himself before sex, and they seem to be prepared everyday. Being in high school, they seem to have a lot of vigor. Shunpei puts forth so much effort for Fumi.

How commendable. (or maybe he just wants to do it too...?)

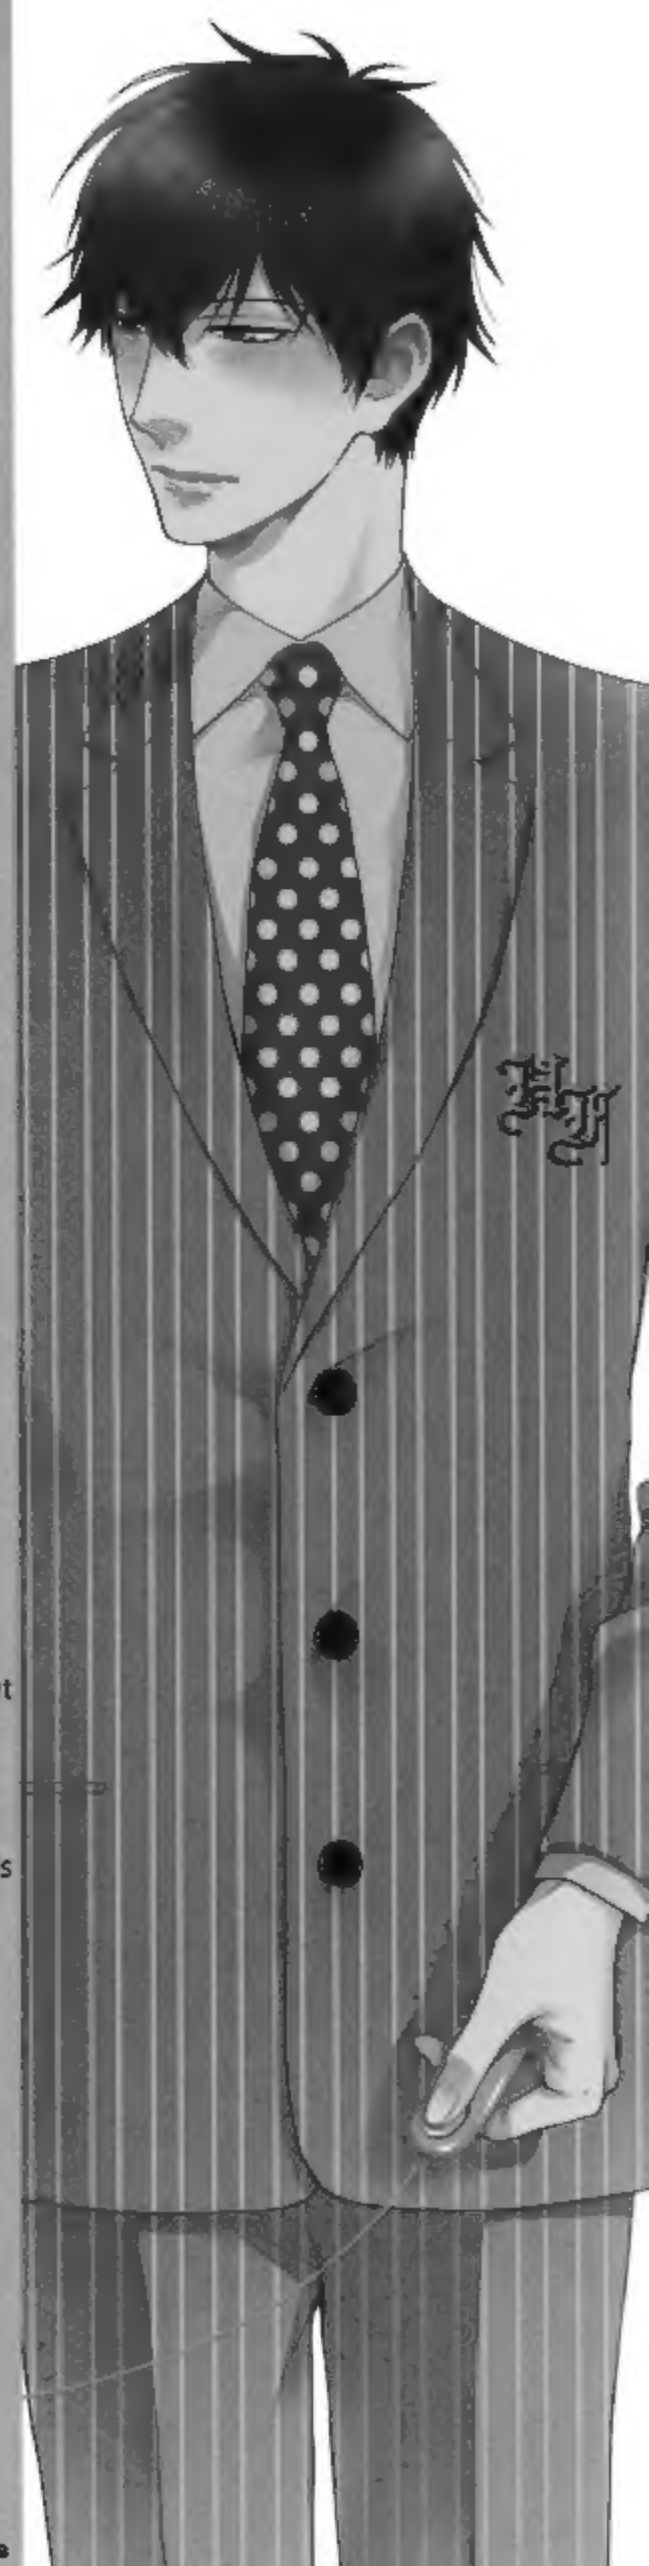

When I thought about "Tomorrow!!" I remembered that there was a story about him eating while thinking about food. Shunpei really is a glutton after all... ("ω")

In the last short I wanted to draw a story from Satonaka's side, but I ran out of time!! The story was going to be something along the lines of "Sakurada's sexdroid is done. It is mechanically perfect but as a doll it falls into uncanny valley" but I guess it doesn't matter. ★

Anyways, I had a lot of fun drawing sex scenes! My vocabulary though...

Well then,
until next time!
